Pudd'nhead was still toiling in obscurity at the bottom of the ladder, under the blight of that unlucky remark which he had let fall twenty-three years before about the dog. Of course, falling over is often the fun. However, being in an ocean environment, the transfer of disease organisms from the wild fish to the aquaculture fish is an ever-present risk. Italian German 2. Dreems returns with his second full-length album, a languid journey through ambient dimensions.
