Professor Bonnie English. Great summer, quick, light read.

Rule Britannia: the Queen deserves a new yacht. Healers, because healing means the transfer of energy from one field to another as well as sometimes physically manipulating the client's body with energy, have found healing to be a physical [even athletic] endeavor and not one of thought and feeling. Tragen is a different kind of irregular verb -- one that not only changes at the end of the word, but also changes internally.
