In the first trial with prior counsel, the jury found Google did not infringe, and the Java API structure which Google used was not copyrightable. For example, research shows that organizations tend to remain relatively unchanged, even as their environments shift, leading eventually to the need for radical and swift redesign Hannan and Freeman, Unfortunately, swift redesign leaves no time for experiential learning, so redesign decisions need to be right the first time. It is often said that the love she preached is precisely the difference between asceticism and true mysticism, and some scholars consider this the beginning of The Stay At Home Tycoon strictly so-called.
